Community Foundation of Greater Dubuque

Multiple-Location Grant: Theisen's More for Your Community

New for 2023: If your nonprofit is applying for Theisen's MFYC grants in multiple store communities, please apply for a multiple-location grant that would then be administered to different localities.

As an organization located in multiple Theisen's Store Communities, it is your responsibility to ensure funds are distributed to regional chapters and submit an application that reflects your intent. The More for Your Community Program will make direct grants to agencies to jumpstart and/or sustain projects that most effectively and directly serve: The basic needs of families and children, which includes food, shelter, education, safety and health.

Theisen's More for Your Community Grant Program is made possible through a partnership with the Community Foundation of Greater Dubuque.

Your organization can apply for up to \$5,000 per each Theisen's Store Communities.

Applications are due July 31, 2023, by 11:59p.m. CST.

Grant awards will be announced in September and awarded in November.

Please direct your questions by email to gretchen@dbqfoundation.org
